Espadas Charters

Captain Espadas was born on the island of Cozumel and has been fishing the area for the last twenty-five years. He takes great pride in knowing this area and enjoys sharing that fishing knowledge with all of his clients.

Our staff is here to make each trip an enjoyable experience for all of our clients. Should you need something special that would make your charter more enjoyable please let us know and we will do our best to have it for you when you arrive. Sit back enjoy the local atmosphere, friendly staff and let us take you fishing. Maya Riviera fishing charters offer an exhilarating experience for sport fishing enthusiasts of any level. A variety of charters with knowledgeable local guides take visitors to fishing hotspots using the latest equipment and safety gear. You will find some the best fishing in the Caribbean right offshore. Maya Riviera deep sea fishing and trolling is just a few minutes from shore. Barely 1 km (1/2 mi) off the coast, boats drift over the reef into waters 305 meters (1000 feet) deep. Fish species include tuna, barracuda, wahoo, dorado, jack's, mahi mahi, marlin, grouper and king mackerel. Sport fishers are in for more than just a catch. Guides create a truly memorable fishing experience.
